DETAILED ACTION

Applicants' response, which included addition of new claims 13, 14, cancellation of claims 8,9,11,12 and amendment to claims 1-4 and 10 filed on 1/24/2008, is made of record. Claims 1-7, 10, 13 and 14 are now pending. In view of applicants' response, all 112 first and second paragraph rejections made in the previous office action is either rendered moot or obviated.

Claim Objections

In claim 5, the labels of compounds recited do not match with that shown in the Table shown therein. An appropriate correction is requested.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 10 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

1. Claim 10 is indefinite as it includes various variable groups without reciting their meaning. As recited it is not possible know the nature of the process as there is no R¹ in formula II.

Note also claim 10 is now written as independent claim and meaning of various variable groups are not defined therein.

Hence, it is not possible to no the scope of the claims as well as to address any scope of enablement issue if any.

Allowable Subject Matter

Claim 10 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action. Claim 1-4, 6, 7, 13 and 14 are allowed.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
